

A Female Black led Community Youth Organisation

The Mentoring Lab transforms lives

[HOW WE CHANGE LIVES](#)

Our mentors touched the lives of over 500 individuals during lockdown

A lifeline for young people, an extended network for parents and carers, a welcome respite from the isolation and stress for our young people.

It's our mission to get young people out of the cycle of poverty

Learning

Our project-based learning Online After School Club, enables youth to identify their strengths, maximise their opportunities to achieve and normalise speaking with industry professionals.

Leisure

GAME Time, is a school holiday programme that enables young people lacking access to green spaces, to have safe fun, whilst practicing team working and soft skills.

We Can Help Your Organisation

Conscious Capitalism

Let us help you meet your Corporate Social Responsibility/ Bcorp status requirements.

Tailored Project

Let's do something creative together, we welcome all ideas no matter how crazy

Reach Gen Z and Alpha

Reach your target demographic in a socially responsible way through our extensive network

Brand Awareness

Your Logo will appear across all printed and digital materials

Content License

We provide you a license to use our logo and reference the works you support

Community Content

We can provide excellent quality content and young people for interview by media.

Help Us Accelerate

With your help, we can accelerate our efforts and make a difference to the lives of more and more young people

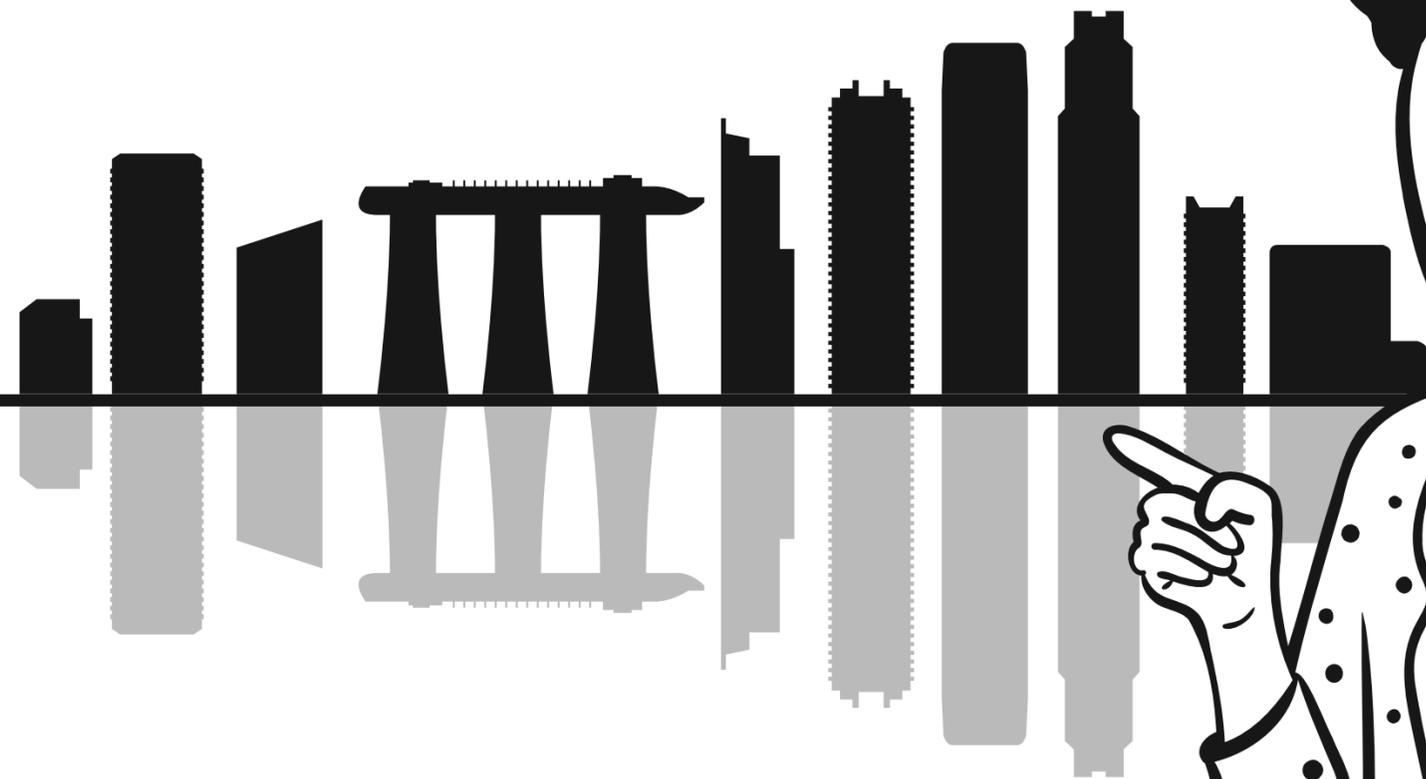

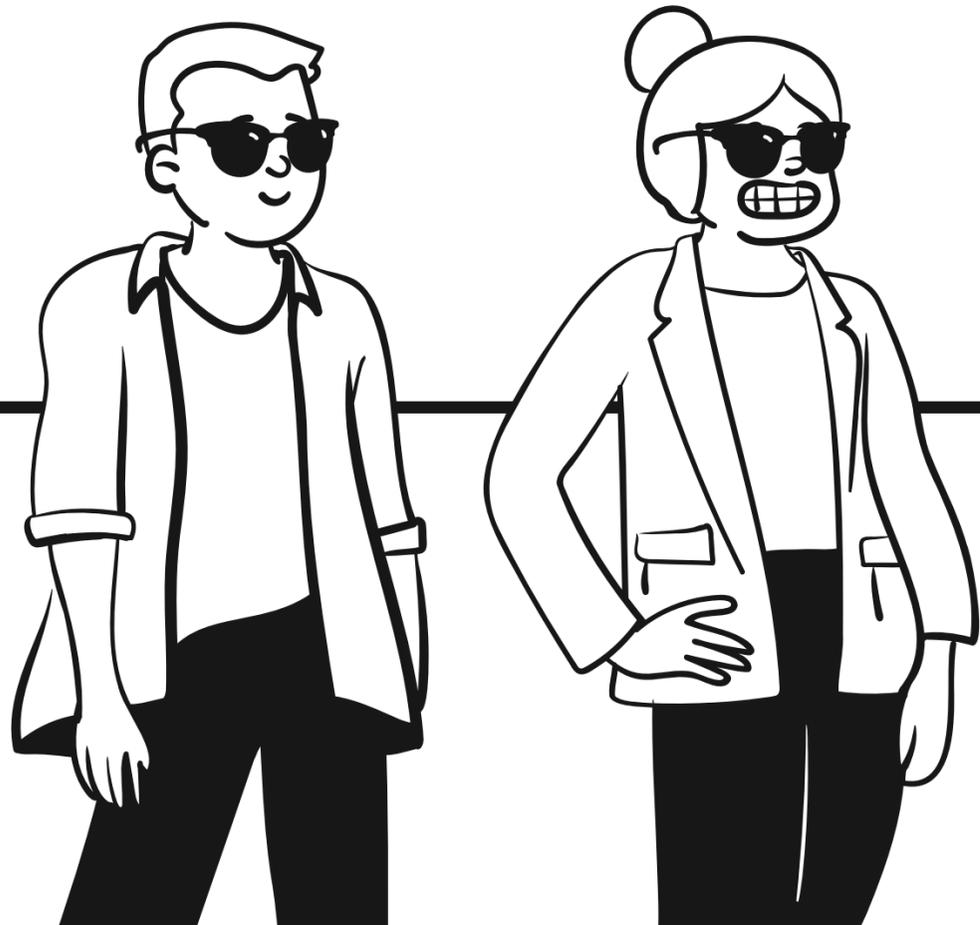

Breaking barriers

We're giving youth a 'hand up' to ensure they succeed

We aim to help young people develop the skills and qualities required to achieve successful and sustainable careers.

Our corporate partnerships are key to this approach.

Leverage our network

Work with us to maximise our positive
work and your brands reach

We understand the needs of the your company as a
sponsor and will work to ensure you too can achieve the
full benefits of our partnership

Media Interviews

Experienced Marketing and PR
professionals

Our organisation includes Marketing and PR professionals with an external broadcast network. We can work together to support your company with your Marketing and PR efforts. For example; supporting the placement of young people for media interviews to speak on the impact of our partnership on their lives

Full support for social media

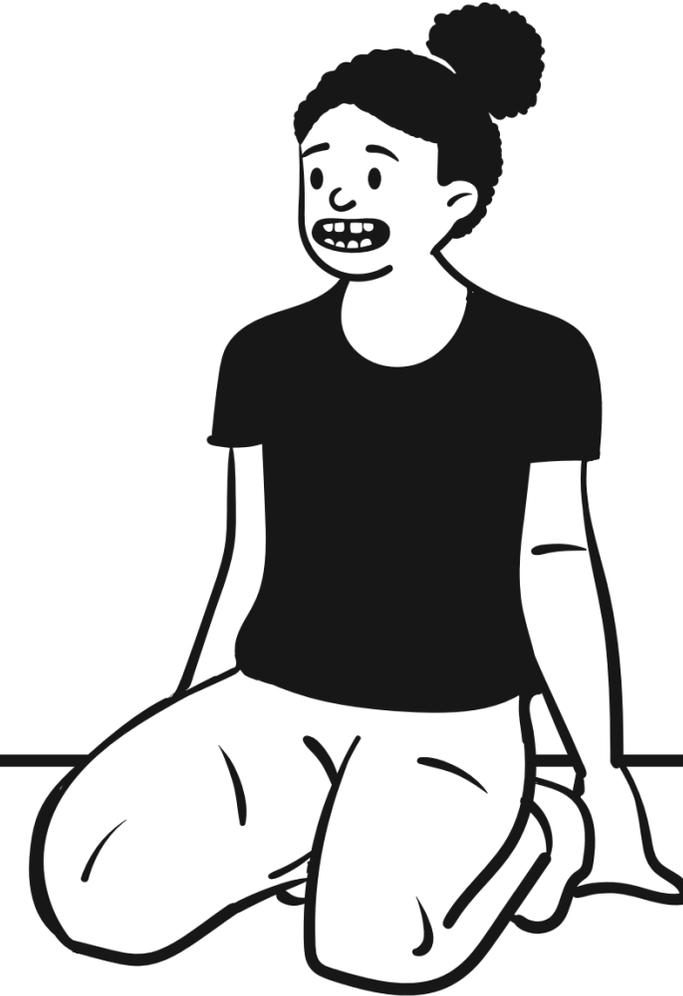

We provide you high-quality content that drives awareness and engagement

We understand that quality content for your social media feeds can be difficult. Celebrate your social giving. We can provide you with analytically focused, tailored branded content from your partnership that helps drives awareness and engagement with your brand's message

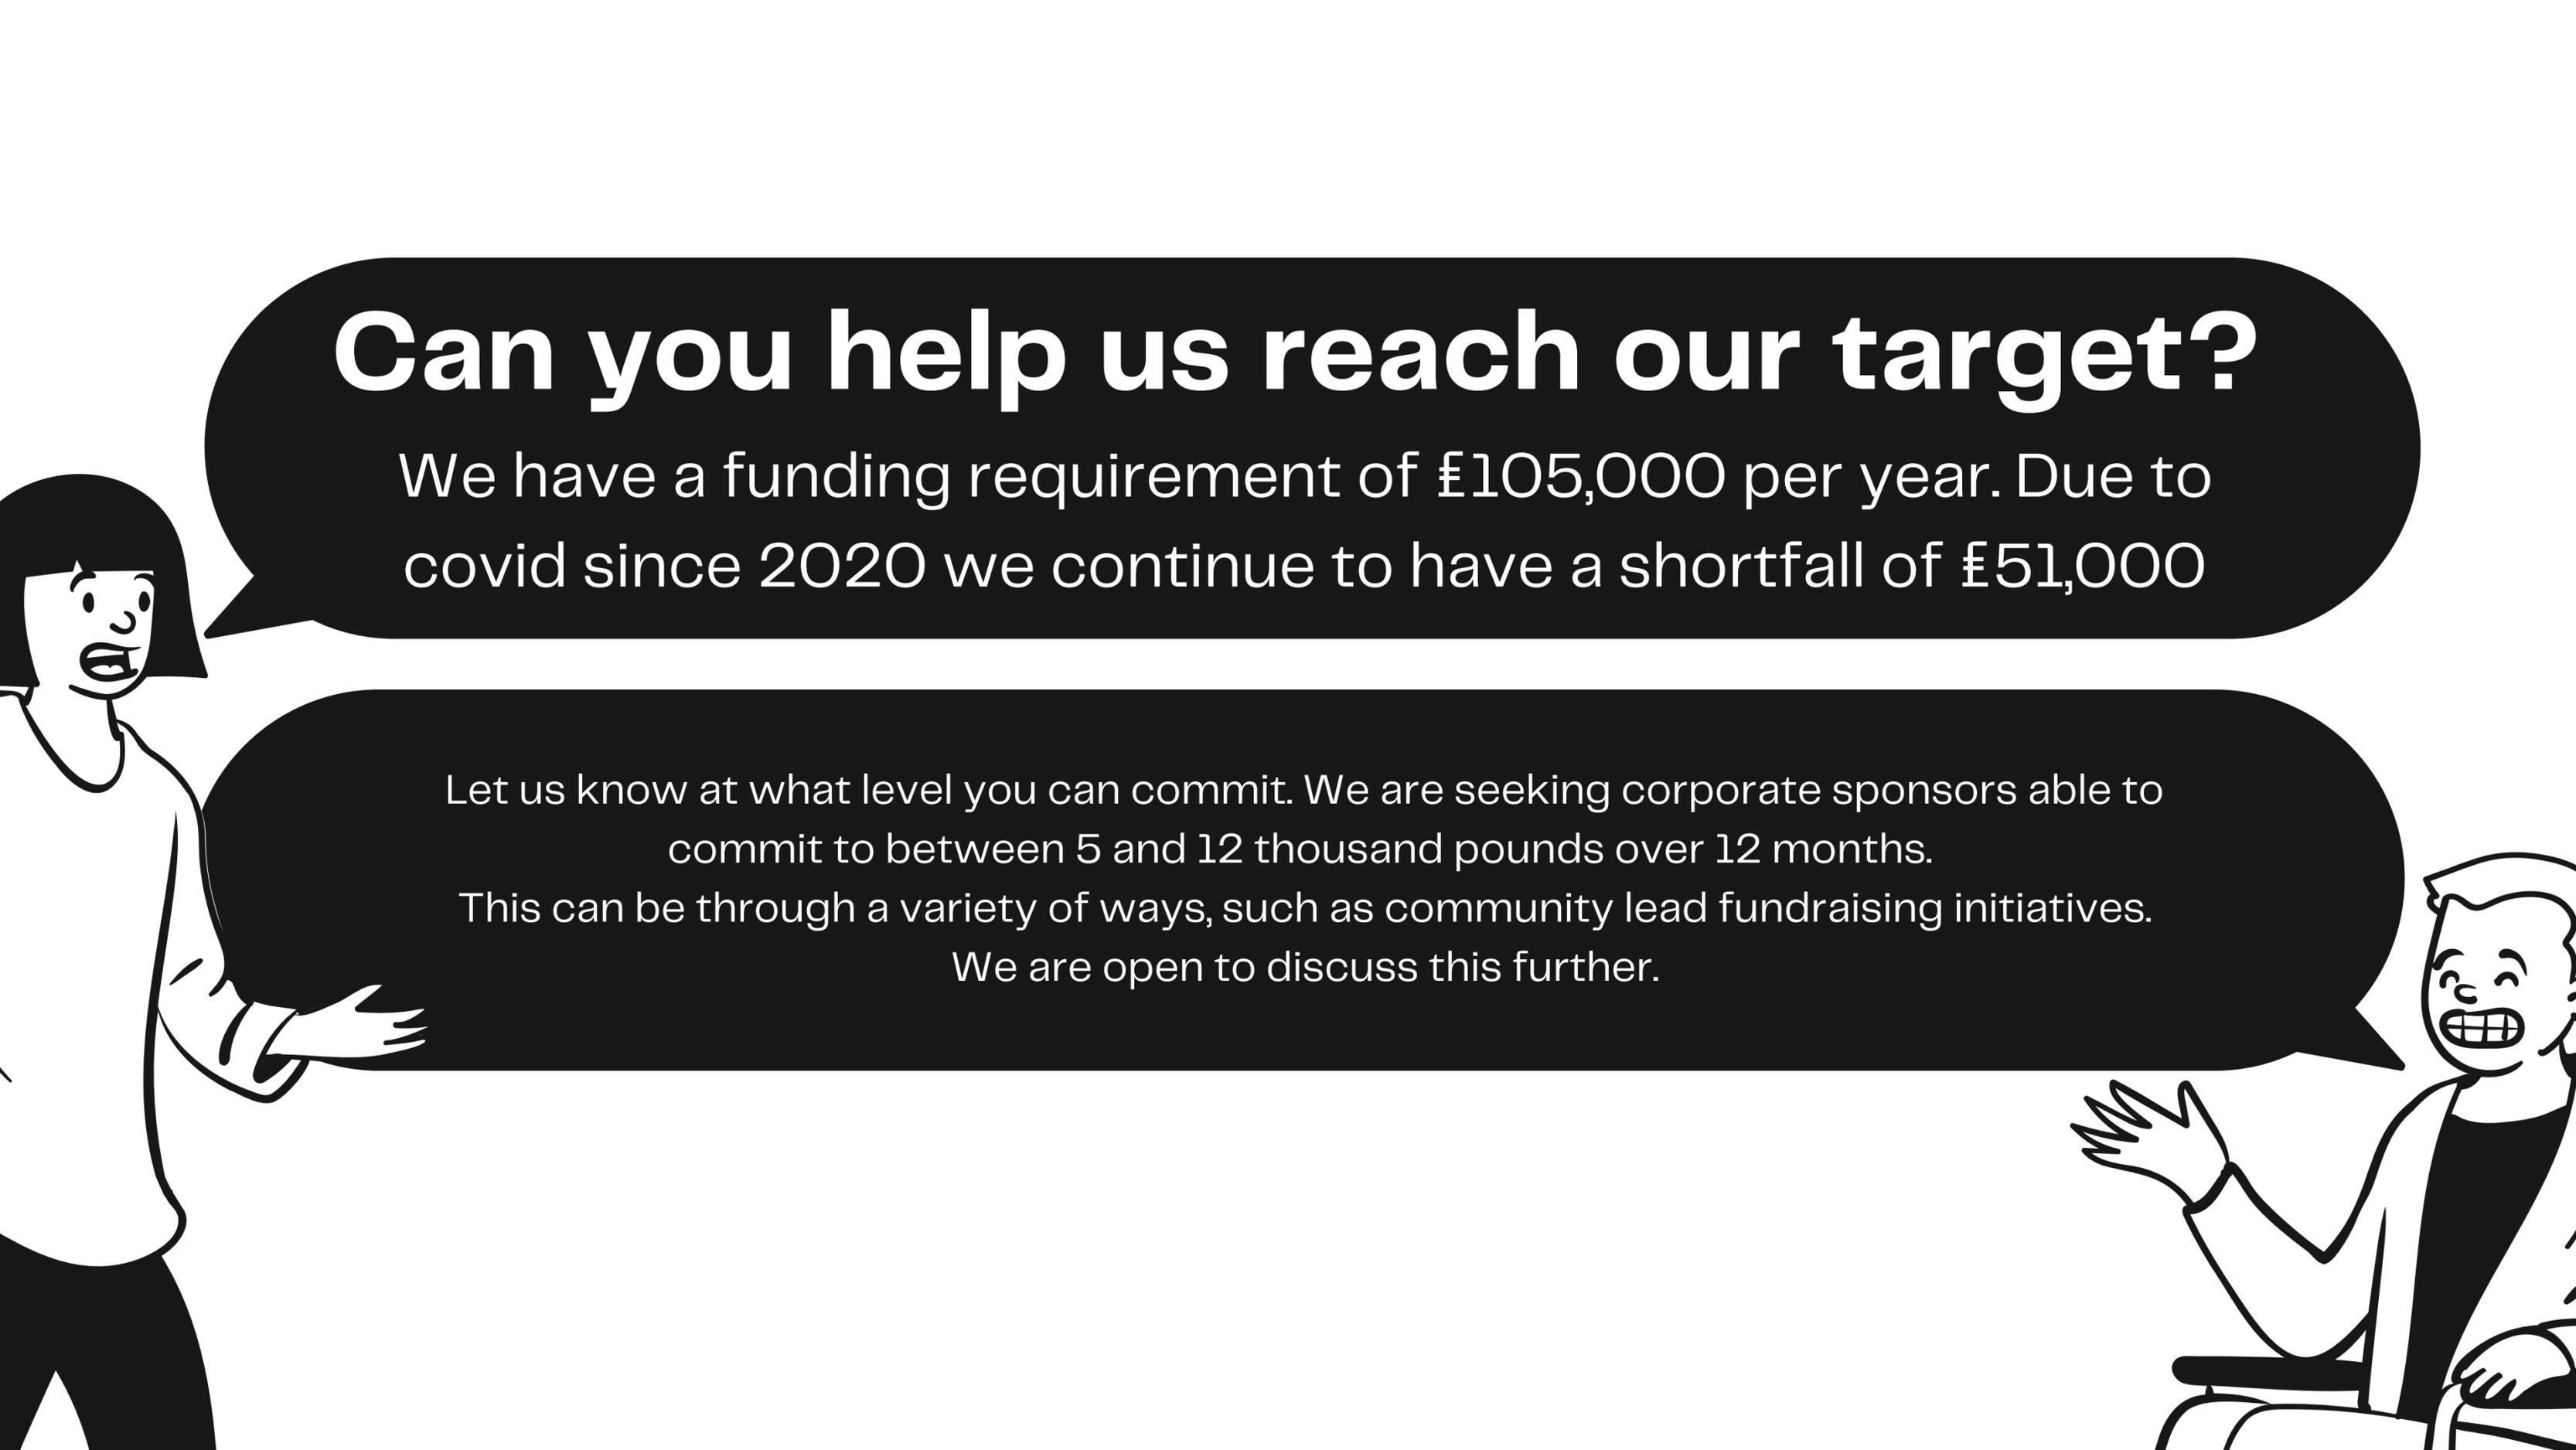

Your brand focus

We help extend your brands reach

From your logo being printed on our marketing materials sent out across local communities, to appearing digitally on our YouTube platform and beyond, your sponsorship will include branding both online and offline.

Can you help us reach our target?

We have a funding requirement of £105,000 per year. Due to covid since 2020 we continue to have a shortfall of £51,000

Let us know at what level you can commit. We are seeking corporate sponsors able to commit to between 5 and 12 thousand pounds over 12 months.
This can be through a variety of ways, such as community lead fundraising initiatives.
We are open to discuss this further.

Make a real difference to the life of a young person

Get in touch with us and let's
find out how we can partner to
achieve our goals.
